Counterpoint

SPRING 2017

CHALLENGE

WIN a pair of stylish Bluetooth headphones!

Listen to your music, films or favourite TV shows on the move with your own pair of stylish Bluetooth headphones.

Great for running or being outdoors as they have a splash proof design so no need to worry about sweat or moisture. Excellent sound quality with noise cancellation enhances your listening experience. The headphones are compatible with all Android and iOS devices, simply pair the headphones to your device for wireless connectivity.

The headphones come with a branded carry case, along with a USB charging cable, 2 pairs of extra ear buds, 1 pair of waterproof covers and a English instruction manual.

SPRING 2017 COMPETITION

Consider this scenario

A customer rings up to request your advice. He has a 10 year old Sanipro in an en-suite that has pipework from the WC, basin and shower running to it. The unit is still working but has seen better days and the customer would like to replace it with the latest model to ensure he gets another decade of reliable service. He has no plans to do any other work in the bathroom and wants the most convenient solution.

What product would you sell him?

_____

_____

_____

_____

Correct answer requires you to state the product produced by Saniflo that is best suited to the job. Competition closes 30.06.17. The winners will be drawn on 03.07.17. The names of the winners will be announced in next issue of Counterpoint. The promoter reserves the right to substitute any prizes with a prize of equivalent or higher value in the event of circumstances beyond their control. No cash or other alternative prizes are available.
